

The New Mexico UNLICENSED HEALTH CARE PRACTICE ACT **was signed into law by Governor Richardson on April 7th**. There were many people that made this happen beginning over 4 years ago and thanks goes out to all. But of all the people, none deserves more thanks than our sponsor Representative Ken Martinez and the head of his staff Martha Minogue. It is because of their tireless support and knowledge of how things get done that we have been successful. We owe them a debt of thanks that can never be truly repaid. Representative Martinez chose Senator Peter Wirth to carry our bill in the Senate and we owe him a heartfelt thank you as well.
